SlamSystem™

Collegiate  
SlamSystem™

## Bring the Championship Home

with a Sport Court® SlamSystem™. These hoops incorporate professional features such as tempered glass backboards and full arena-view support arms for maximum stability and ball response. Sport Court's SlamSystems are a perfect complement for your game court, designed to integrate with lighting and net adjustment systems to enable you to get the most out of your backyard recreation center. The SlamSystem enables you to shoot bank shots from all over the court, without the vibration or torque you'll find in lesser standards. Bring your "A-game" – the combination of its sturdy steel pole and anchoring system, spring-mounted rim, and backboard and pole padding provides you with a safe and stable goal for your best game.

When you decide to have a Sport Court SlamSystem installed with your game court, you're doing more than just getting a place to shoot hoops. You're investing in the world's finest equipment and sports surfacing, and bringing a world of improved health and quality family time to your backyard.
