Attn: Brent Marinos

I am writing this letter to let you know how pleased I am with the Duragid Tiles you installed on the floor of my boat, almost two years ago.

I especially like the fact the tiles are comfortable on our feet, easy to clean and virtually non-slip, since they allow the sand and water to flow underneath.

Duragrid Tiles are a great product and I highly recommend them to other boat owners.

Sincerely,

A handwritten signature in cursive script that reads "Brent Fulmek".
