Recreation Facilities

RECREATION FACILITIES

The recreational facilities at Christina Lake accommodate a variety of activities for all ages.

Ball Diamond

Catch a ball game at the baseball diamond located adjacent to the Community Hall at 90 Park Road. There are numerous games and tournaments throughout the summer. Pick a team and cheer them on. No game? You and your friends can practice.

Our baseball diamond was redeveloped in the Spring of 2009 with new bases, markings, scoreboards and painting. The park has covered stands, a concession, two dugouts, and lighting for night games. There is ample parking for players and spectators alike. Washrooms and a children's play park are across the street.

Harry Lang Memorial Tennis Courts

Christina Lake has three courts just across the street from the ball diamond on Park Road. They are available on a first-come, first-serve basis. Tennis whites are definitely optional.

Named after the lake's "father of tennis" who taught generations of residents to play, the courts have been rejuvenated with *Sport Court*, a plastic all weather interlocking tile surface that provides excellent footing, joint saving cushioning and an aesthetically perfect appearance.

Playgrounds

Christina Lake has two recently developed playgrounds for kids to enjoy.

Situated on Park Road adjacent to the tennis courts and across the street from the ball diamond, the Christina Lake Community Playground has plenty of activities to keep the kids entertained including a tire set, a new adventure center and ample space to run around.

Two blocks away at 49 West Lake Drive, the Christina Lake Elementary School also has a new adventure center, swings and more.

Indoor Recreation

The gymnasium at [Christina Lake Elementary School](#) is used for many indoor recreational activities year round including volleyball, badminton, and floor hockey. Contact the school for more information and schedules: 447-9423

In Grand Forks

Grand Forks & District Recreation
Box 1486, 2020 Central Avenue
Grand Forks V0H 1H0
250-442-2202

Grand Forks & District Aquatic Centre

250-442-3488

The Centre operates year round and features four 25 metre lanes, a large shallow water leisure area, sauna, whirlpool and well equipped fitness and wellness centre. In addition to the public swimming schedule, programs at the pool include a variety of exercise classes, swim lessons for children and adults, advanced aquatic training and special events.

The Grand Forks Arena

2020 Central Avenue
Grand Forks V0H 1H0
250-442-2202

Operates from late August until the end of March and is home to the [Border Bruins KIJHL hockey team](#), Grand Forks Minor Hockey, the Grand Forks Figure Skating Club and both men's and women's recreational hockey teams. Public skating, drop in hockey and Parent and Tot skating sessions are scheduled regularly as well as several special events throughout the season. For more information on schedules and events see the [monthly program guide](#).
