

### TESTIMONIAL LETTER

From: Melanie Beaudet  
Director, Dans'Atout  
LaSalle, Quebec

I recently purchased an interlocking dance floor from Sport Court. We teach ballet, tap, jazz, hip-hop & social dancing. We are very pleased with the product and would highly recommend it to anyone who is looking for a great dance floor! I am especially impressed that it works so well for tap sounds. If anyone would like to contact us we are at [www.dansatout.com](http://www.dansatout.com).

Sincerely,

Melanie Beaudet
