

## **Letter of Reference**

May 7th, 2007

Dear Brent,

Thank you so very much for your hard work and expert installation of our Sport Court. We have been enjoying it for approximately 1 year now, and have not once regretted putting a large court in our backyard. The court is used daily by the entire family, from playing tennis and basketball, to the children (9 and 5) riding bikes, Heelys and skateboards around the court. I am amazed at how the tiles prevent injuries, and how low maintenance the court is as well. The 2-tone grey and beige tiles look awesome, and really look amazing with the rest of the landscaping!! The best part about having the Sport Court is enjoying the outdoors with our family, while the neighbours are busy mowing!! Purchasing a Sport Court was the best decision we ever made, and we look forward to many years of enjoyment from the Court!! Thank you once again!!

Sincerely,

Diane Butcher
