

Letter of Reference

April 2, 2007

I just wanted to send you a note to tell you how much we enjoy the Sport Court that you installed for us last summer. The court has been a focal point for not only the activities of our kids and their friends, but also for the admiration and envy of our neighbours and those that walk the golf course behind us.

I really appreciated the quick set up and follow up. A sign of high integrity and customer service on your part. Thank You!

We have been telling everyone about the great service and fine products that you have provided and would be happy to provide any references for you.

Sincerely,

**Ed Teron
