To Whom it May Concern,

I just wanted to write a letter expressing my happiness with Sport Court Calgary.

Their service exceeded our expectations. Five years ago we started with our first sport court floor. We recently moved into our new location and decided to team up with Sport court and are so glad we did! It was such a positive experience working with Brent! Brent helped us out immensely, treating us like family. The product is of high quality and was delivered promptly. I was so impressed with Brent's precision in the cuts and angles around the edges. Couldn't have asked for better craftsmanship.

Thank you for making the transition to our new studio so much smoother.

I would definitely consider using Sportcourt for any future floors that I need and I wouldn't hesitate to recommend them to anyone looking for an athletic floor.

Yours truly,
