From: James Korth

Hi Brent...

Our Sport Court has added a new dimension to our home and our family leisure time. The versatility of our backyard court keeps us active, healthy and engaged as a family. Brent and his team assisted us from design through completion, and we could not be happier with Sport Court Alberta.

We have been making good use of the court and I think I am enjoying it as much (maybe more) than the kids.

**Thanks,
James & The Korth Family**
