

March 15, 2011

Dear Brent,

I wanted to let you know how happy we are with the Sport Court you installed for our family last year. Our goal was for our young kids to not only keep busy on a multi-purpose court, but also to give them and their friends a safe place to play close to home. We're now through our first winter season with a successful ice surface where two of our kids have now learned to skate, and we're looking forward to the court surface again this spring so they can tackle basketball and tennis. We just wanted to let you know how happy we are with the court and look forward watching our family and friends explore the variety of sports our new Sport Court provides!

Sincerely,

The MacInnis Family
