Dear Brent:

We just wanted to send you a quick note thanking you for the outstanding job you did on our sport court. From start to finish, you were extremely helpful in all stages of the sport court from the initial planning right through to the finishing touches. We particularly appreciate your attention to detail and all of the little extras you did to make the court perfect.

In short, we absolutely love the sport court! Our five kids play on the sport court non-stop! The court is extremely versatile and we did not realize how many different sports and other activities can be played. We really love the Power Game tile and how it reduces the risk of injuries.

Thanks again for all of your assistance. We couldn't be happier with our sport court and it is definitely the best use of space in our backyard. We highly recommend you to anyone interested in building a sport court.

Best regards,

Todd and Nancy Remington
