Brent Marinos
Sport Court Calgary
200-3605 Manchester Road S.E.
Calgary, AB. T2G 3Z7

Dear Brent,

Volleyball Canada would like to thank you for providing us with an excellent product. Due to the positive feedback we receive from event hosts regarding Sport Court as well as personal experience, we would like to acknowledge time you take to provide us with prompt and thorough support services for our Sport Courts.

A key to running a successful event is to have an efficient set-up and take-down. Sport Court allows us to do this efficiently. The size and weight of the Sport Court segments allows us to transport them easily and to use them to their full and potential. As a result of the exceptional versatility of Sport Court, we regularly rent them out to partners and outside organizations.

The professional atmosphere that is created by Sport Court flooring is an invaluable asset to players and the organization. Athletes report that it is a great playing surface makes a striking contribution to the competitive environment. Volleyball Canada benefits from increased media attention from the look of specialization that it gives our tournaments. It is crucial to maintaining the reputation of world-class competitions from Volleyball Canada.

Canada

Sincerely,

Marie-Christine Rousseau
National Events Coordinator
Volleyball Canada
